EDUCATION

Brainware University
Bachelor of Computer Application
CGPA: 8.80

Barasat, Kolkata
2022-2025

PROFILE SUMMARY

Targeting **Front-End Developer** roles with an organization of high repute with a scope of improving knowledge and further career growth.

- Proficient in building responsive and user-centric web applications with a strong focus on performance, accessibility, and modern design principles.
- Demonstrated ability to manage and deliver projects **efficiently**, from initial planning and design to final deployment and maintenance.
- Committed to **staying updated** with the **latest industry** trends and technologies, continuously enhancing skills to provide innovative solutions

PROJECTS

Translating Silence

[GitHub](#)

Tools: Python, Flask, Socket.IO, OpenCV, MediaPipe, HTML, CSS, JavaScript

Translating Silence is a real-time web application that recognizes Indian Sign Language (ISL) hand gestures and converts them into readable text, promoting inclusive communication for the deaf and hard-of-hearing community across educational, professional, and everyday settings.

BudgetBuddy

[GitHub](#)

Tools: HTML, CSS, JavaScript, Node.js, Express.js, MongoDB

BudgetBuddy is a simple and user-friendly Expense Tracker web application designed to help users manage their finances. It allows users to log their expenses, track income, categorize their spending, and visualize their financial data through reports and charts. Whether you're saving up for a goal or just want to keep an eye on your budget, BudgetBuddy is the perfect solution to take control of your finances.

NexEd

[Github](#)

Tools: HTML, CSS, JavaScript, AR.js.

NexEd is an innovative education-focused web application that leverages Augmented Reality (AR) technology to bring learning to life. It allows educators to create interactive lessons with 3D AR models, making complex concepts easier to understand and more engaging for students. With its seamless blend of traditional e-learning tools and immersive AR experiences, NexEd redefines how students interact with educational content.

ACADEMIC ACHEIVEMENTS

- Earned a certification in The Fundamentals of Digital Marketing by Google Digital Garage. [link](#)
- Smart India Hackathon 2023 Intercollege Round 2 Selected. [link](#)
